De caractère linéaire, Sociando adopte un profil précis, élégant. Il se déroule sans accroc, de l'attaque jusqu'à la finale et profil de l'apport de tannins exacts, aux grains fins, qui offrent une subtile puissance, communément avec la structure acide. Un vin harmonieux, savoureux et persistant.

Chewy black currants, blackberries, herbs, cedar, and tobacco show easily. The palate is juicy, and sweet, and chewy. The fruits are sweet, bright, and fresh, with lift, concentration, and energy in the fruit-filled, chalky finish.

INSIDE BORDEAUX

Silky and richly fruited plum colour with the edge of vibrant violet that makes you confident of its ageing potential. This is gorgeous, really captures the spirit of the vintage on the Left Bank, where you have a ton of ripe Cabernet that is savoury, concentrated and full of energetic cassis, sage and crayon. Brilliant. A buy.

DE FRANCE

Le cru retrouve peu à peu ses cabernets (47 % de l'assemblage), ce qui donne au vin de la droiture et lui permet de retrouver son ADN, avec de la définition, de la sève et de la précision. Il est juteux et savoureux.

WINE ADVOCATE

The 2023 Sociando-Mallet is showing well, exhibiting aromas of cherries and cassis mingled with hints of pencil shavings and toasty new oak. Medium to full-bodied, deep and layered, it's lively and classically structured, with sweet tannins, bright acids and a penetrating finish.

This is very classic Sociando with brightness and linearity to the wine, as well as blackcurrants and a citrus undertone. Medium-bodied with refined tannins. Long, very crisp and fresh. Lower pH here of 3.55.
