

Château Haut Queyran 2020

Médoc - Cru Bourgeois

In 1964, the Demarchi family acquired Château Haut Queyran, formerly Domaine de Haut Brion until 1989. Since 2001, the descendants of the Demarchi family, Patricia and Laurent, have taken over the property and cultivated the family know-how with the same passion as their ancestors.

The terroir of Château Haut Queyran consists of 15 hectares of vineyards north of the Medoc, on the edge of St-Estèphe on a clay-limestone soil. Vinification is done in concrete vats, staves are used to bring this nice wooden touch to the wine.

Tasting

At the tasting, Château Haut Queyran offers a nose typical of its appellation : superb notes of spices and red fruits. The length of this wine is very pleasant and typical of the Medoc appellation.

Why Buy This Wine ?

- ❖ A Cru Bourgeois
- ❖ Very good value for money
- ❖ A brand in constant evolution
- ❖ Regularly medalist
