

Château La Bastienne

Montagne Saint-Émilion

2020

HISTORY

Born into a family of winemakers, Pierre-Emmanuel Janoueix took over Château La Bastienne in 2000, out of love for his terroir and his love of winemaking. From the start, his goal was to produce great, high-quality wines. 20 years later, this objective is more than fulfilled: his wine is perfectly done, respecting the environment and listening to the consumers' tastes. Bordeaux Tradition owns the exclusive distribution of this wine, that we qualify as one of our gem !

The property is located on the right bank of the Dordogne, 40km north-east of Bordeaux. The vineyards of Château La Bastienne flourish on rich and diversified soils that are land of choice for Merlot. Natural grass cover on all plots ensures biodiversity. As such, the vineyards of Château La Bastienne are certified High Environmental Value.

THE TASTING

At the tasting, Château La Bastienne offers a ruby color with violet hues. The nose is expressive, with notes of black fruits and sweet spices. The palate is velvety, caressed by smooth tannins. A lot of length.
